Welcome to the International Police Association!

International Police Association
UNITED STATES SECTION

Just wanted to take a minute to welcome you to the International Police Association. You will be receiving your membership card soon. You have been signed up for the IPA Email newsletter. This is a brief monthly newsletter that is sent out at the beginning of each month. It contains timely information, events etc. You will also be sent a few "intro" emails which helps give you a better understanding of the IPA. It will cover a brief history, info about our web page and about our online handbook.

Again, welcome to the world's largest, oldest police fraternal organization!
