COME JOIN US!

WHAT: The International Police Association, founded in 1950, is one of the most unique and interesting social organizations in the world. It presently has 276,000 members in 61 nations! This fraternal organization is dedicated to unite in service and friendship all active and retired members of the Law Enforcement service throughout the world. The Association's motto is "Servo per Amikeco" which means "service through friendship".

WHY: The IPA creates an opportunity for cultural exchange and contacts on a local, national and international level. The IPA is a tremendous organization for members and their families who wish to travel anywhere in the United States or the world. Members are often extended courtesies, offered assistance and given tours that would not normally be available to the general public. The Association owns many IPA houses and homes throughout the world! The IPA offers something a travel agency cannot - nobody knows the city or town like the police officer who lives and works the area. If you are a collector, members around the world are ready to exchange information, patches, uniforms, stamps, batons, internet communications etc. IPA also sponsors youth gatherings and exchange programs.
